

City of Woburn Dog Park At Ferullo Field

The Recreation Department along with Mayor Galvin is pleased to announce that we have been awarded a grant by the Stanton Foundation for the construction of a new Dog Park. This Grant covers 90% of the cost to construct this project.

Construction of this Dog Park will begin this Spring and should last a few months.

We will be placing the Dog Park at Ferullo Field near the area outside of left Field of the Baseball Field. The Dog Park will have an area for large dogs and an area for small dogs. The area will also have water service available for the dogs as well as shade areas for them.

As more information becomes available we will continue to update our website at www.woburnrec.com In addition to this if you would like to receive e-mail updates please visit our website and on the home page under the Dog Park Icon click the add your e-mail link to be added to our distribution list.

If you have any questions regarding this upcoming project please contact the Woburn Recreation Department at (781) 897-5805.
